

Welcome to Four Points Accounting!

May 14, 2026

An Important Message to our New Valued Clients!

Welcome to Four Points Accounting & Advisory (Four Points)! In April of 2026, we were pleased to have reached an agreement with ProEmp & Associates to merge with Four Points effective May 31, 2026, after the close of business. Just like ProEmp, we are dedicated to supporting each of our clients with the personal attention you expect and deserve.

I want to take a moment to acknowledge the incredible legacy built over the past 30+ years. The Lohrstorfer family are remarkable people whom I am deeply grateful to know and work alongside. We have grown to be great friends, and they will continue to assist me to ensure a smooth transition. The trust and relationships you've developed with the ProEmp team is not something I take lightly. My goal is to honor that foundation while bringing added support, accessibility, and thoughtful improvements to your experience.

At Four Points, we're committed to being responsive, approachable, and aligned with your goals. You won't see any immediate changes to your services, and we'll take this transition step-by-step to ensure everything remains smooth and comfortable for you.

Thank you for the opportunity to support you moving forward. I'm genuinely looking forward to building a strong working relationship.

My very best,
